Re: PATH/Request for Assistance

Dear Mr. Kaplan:

Thank you for your letter of 22 May 2011 wherein you request assistance from my office in seeking an abandonment of the Potomac-Appalachian Transmission Highline (PATH) Project from the FERC. While there may be some merit to your concerns, my office currently lacks the resources to explore your request. I would suggest, however, that you consider approaching your utility consumer advocate in Maryland.

Please feel free to contact me if you have any questions.

Sincerely,

RE: PATH Project/Sugarloaf Conservancy

Dear Mr. Kaplan:

Thank you for your letter of May 22, 2011, to the Tennessee Attorney General's Office regarding the Potomac-Appalachian Transmission Highline (PATH) Project.

The vast majority of this Office's work regarding regulated utilities is before the Tennessee Regulatory Authority ("TRA"). Based on our review of the materials, this project does not appear to directly impact Tennessee. Accordingly, at this time we will continue to monitor the situation and welcome any additional information you might have on further developments in this case.

Sincerely,

A handwritten signature in blue ink that reads "Vance L. Broemel".
